

*"We have had our Ovention for 4 years and absolutely love it!"*

# *Shakopee* **PUBLIC SCHOOLS** **EDUCATION FORWARD**

For four years, Shakopee Public Schools has used an Ovention® Shuttle oven for their high-volume demand during the lunch hours.

*"It is located in our high school where we are serving 700 paninis a day, in 2 hours. The paninis run through the Ovention oven and come out perfectly every time, and it only takes a few minutes. We have also cooked pizza in this oven, it cooks the pizza quickly and turns out perfect!"*

Ovention prides itself on its great customer support. Whether it's adjusting cook times or answering questions about the oven, we are ready to help, ensuring smooth operations and maximum efficiency. You're not just getting innovative equipment—you're getting reliable, ongoing support.

Conveyor C2000

### **Making delicious the right way, right away.**

The demand for delicious fresh-prepared food is higher than ever. From authentic flatbread to roasted vegetables, our innovative and intuitive ovens cook foods better and faster – without the need for venting or hoods.

*"The Ovention oven is very easy to use. Ovention has wonderful customer support, any time we have a question or need to change the cook time on the oven they are there to help. I recommend Ovention ovens to anyone looking for an oven that can cook many different products in a short time."*
